## FIRST DUAL-QUALIFIED POLISH ATTORNEY-AT-LAW AND ENGLISH SOLICITOR IN JERSEY

Lexstone Lawyers' Agnieszka Bielanska has been admitted as an English solicitor. It is believed that Agnieszka is the first dual-qualified Polish attorney-at-law and English solicitor working in Jersey. Agnieszka worked for a leading Polish law firm and a top tier US law firm before moving to Jersey several years ago. She mainly practices commercial law and intellectual property law.

Lucy Egerton-Vernon, Group Partner at Lexstone Lawyers, commented that: *"We are extremely delighted for Agnieszka. It is a remarkable feat to be dual-qualified in two such contrasting jurisdictions. Agnieszka is not only the first Polish attorney at law practising in Jersey but also the first-dual qualified one"*
