CITYWEALTH FUTURE LEADERS – LAWYER OF THE YEAR IFC PARTNER – SHORT-LISTING

Lexstone Lawyers is delighted to report that Lucy Egerton-Vernon, a group partner, has been short-listed for the Citywealth Future Leaders Awards in the category of “*Lawyer of the Year IFC Partner*”. Lucy joins Alexa Saunders, a partner at Carey Olsens, as one of just two Jersey based lawyers short-listed in this category.

Marcus Stone, a group partner of Lexstone Lawyers, commented “*I am absolutely thrilled to hear this news. Lucy has had a formidable two years in growing Lexstone Lawyers to what it is today. This is just a small external token of appreciation for all her hard work and achievements. As a general rule of thumb, we tend not to brag about our transactions so we are delighted to hear that they have not gone unnoticed*”
